New County Recorder

If you are a new county recorder, contact the Minnesota Department of Health, Well Management Section to register at: health.welldisclosures@state.mn.us.

Initially, all county recorders were sent a “pre-registered” email with login information including username, password, and security question answer.

If you are a new county recorder, please contact the Minnesota Department of Health to receive your login information.

Example of initial email sent to the 87 county recorders pertaining to login information.

The Minnesota Department of Health, Well Management Section will go live
with the e-Well Disclosure Certificate website July 1, 2009.

The website address is:
https://www.health.state.mn.us/divs/eh/wells/eDisclosures/ecountylogin.cfm

We have decided to pre-register all county recorders.

On July 1, 2009, your county recorder user account will be accessible.

Please log in and update your user profile on or after July 1, 2009.

To do this, use the username and password given in this e-mail to log in.

Then, by selecting the menu option 'Edit Profile,' answer the security
question.

The security question answer is:

Your username is:           Your password is:

If you have any questions regarding e-Well Disclosure contact the Minnesota
Department of Health, Well Management Section Central Office, at

Where can I get more information or help?

If you have any questions regarding e-Well Disclosure contact the Minnesota Department of Health, Well Management Section Central Office, at health.welldisclosures@state.mn.us or by telephone at 651-201-4587 or 800-383-9808.

Enter your username and password.

Note: Each county has one user account, but more than one user can be logged in at the same time.

Note: If you are a new county recorder, see page 3 for login instructions.

Forgot Password

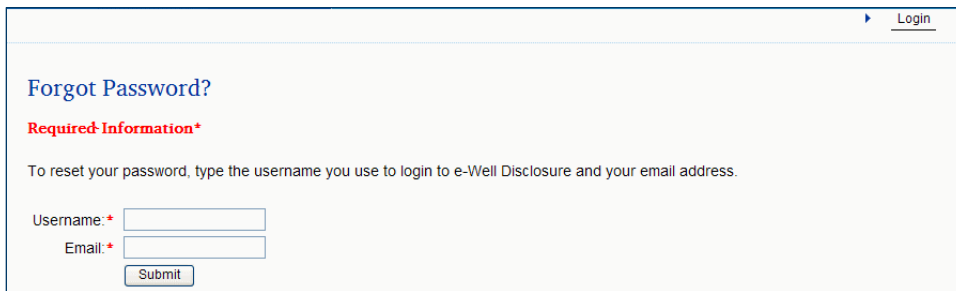

If you have forgotten your password, click “Forgot password?” located on the e-Well Disclosure County Login page in the Username and Password login box.

Note: Only the owner/administrator of the account will be able to obtain the password.

The screenshot shows the login interface for the e-Well Disclosure County. At the top, it says "e-Well Disclosure County Login" in blue. Below that is a welcome message: "Welcome to the Minnesota Department of Health, Well Management Section e-Well Disclosure county recorder page." The main area contains a light blue box with two input fields: "Username" and "Password". Below these fields is a "Submit" button and a link that says "Forgot password?".

The “Forgot Password?” screen appears.

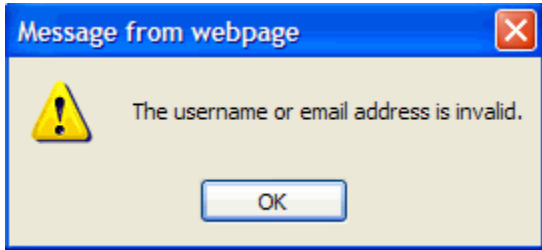

The screenshot shows the "Forgot Password?" screen. At the top right, there is a "Login" link. The main heading is "Forgot Password?". Below it, there is a red heading "Required Information*" and a sub-heading "To reset your password, type the username you use to login to e-Well Disclosure and your email address." There are two input fields: "Username: *" and "Email: *". Below these fields is a "Submit" button.

Enter your username and email address.

Click the “Submit” button.

Username or Email Address is Invalid

If the username or email address is invalid, you will receive the following message and be returned to the login page.

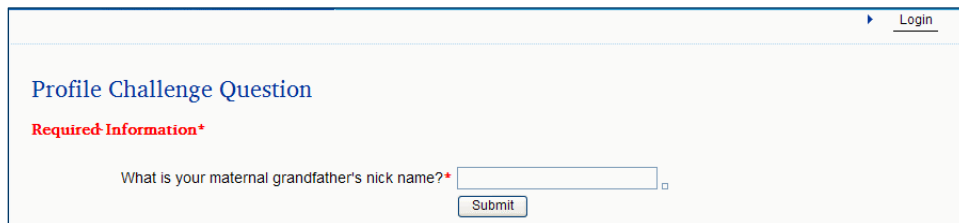

Click the "OK" button.

Username or Email Address is Correct

If the username and email address have been entered correctly, you will be directed to a challenge question. This is to ensure that only the owner/administrator of the account has requested a new password.

Answer the challenge question.

Click the "Submit" button.

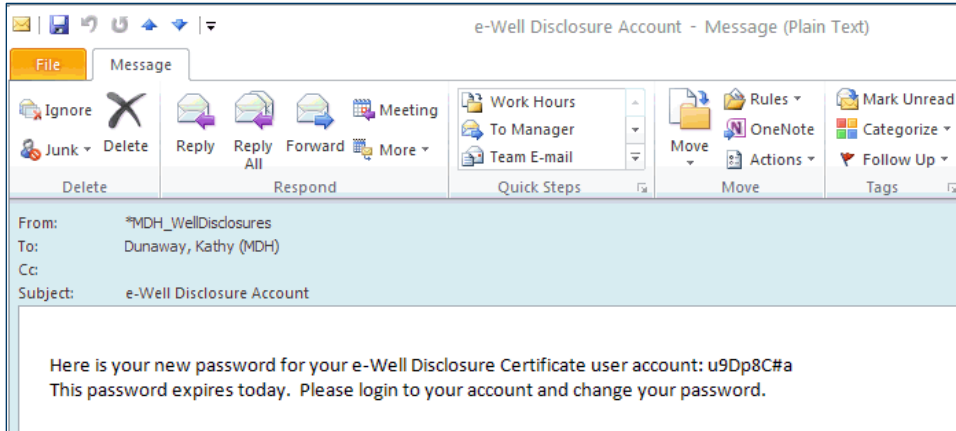

If you have correctly answered the challenge question, you will be given a new password generated by the e-Well Disclosure Certificate application.

Your new password will be emailed to you at the email address listed in your user profile. You will receive the following message.

Click the "OK" button.

Check Your Email for the New Password

If you didn't receive the email with your new password, look in your Spam or Junk folder. The email is sent from health.welldisclosures@state.mn.us.

You **must login** and change your password today to something meaningful to you.
