= Unintentional
 = Homicide
 = Suicide
 = Intent not determined

Limited to injury as underlying cause of death; excludes adverse effects, pathologic injury, and non-traumatic aspiration. MV (motor vehicle) traffic occupant includes MV traffic unspecified.
 YPLL (Years of potential life lost) is annualized. Rate and YPLL rate are annualized and age-adjusted to the U.S. 2000 standard population. Rate is per 100,000 population. YPLL Rate is per 10,000 population
 Ties extending more than one row beyond the eleventh rank are not displayed individually.
