Follow-Up

[Sage: Following up on Abnormal Results Training Video \(www.youtube.com/watch?v=jEpVNMUvvSw\)](http://www.youtube.com/watch?v=jEpVNMUvvSw)

After a patient has received abnormal test results, participating Sage clinics must:

1. Ensure that patients receive follow-up services
2. Connect patients with specialists
3. If uninsured, connect patients with MA-BC Minnesota Medicaid program for treating breast and cervical cancers
 - a. The Minnesota Department of Human Services has established a category of Medical Assistance (MA) called "MA-BC" which has eligibility guidelines that are designed specifically for Sage patients diagnosed with breast and/or cervical cancer or pre-cancer.
 - b. If you have a patient who may qualify for MA-BC, please reach out to the Sage Programs Follow-up Coordinator Nikki Kuechenmeister at 651-201-5904 or nikki.kuechenmeister@state.mn.us.

Follow-Up Forms

These forms are created by the Sage Programs Follow-up Coordinator and sent to the appropriate follow-up contact at the clinic to report diagnostic testing findings:

1. Sage Abnormal Breast Screening Follow-Up Report
2. Sage Abnormal Cervical Screening Follow-Up Report
