

MLS Laboratory Update: MDH invites you to MDH Speaks, a free event, with speakers from across the Public Health Laboratory.

MAY 3, 2023

Purpose of this Message:

MDH invites you to attend a free event, including speakers from across the Public Health Laboratory.

Action Item:

Review attached invitation, share with your colleagues.

Background:

The Minnesota Department of Health Public Health Laboratory (PHL) has been engaging with students and communities to expand interest and awareness of laboratory science. On Friday, May 12, we will be hosting a free event open to the public at St. Paul College. The event will begin with an Open House exhibit at 12:00 pm, showcasing science projects from tenth grade students at Heritage Academy. This will be followed at 1:00 pm by presentations from eight speakers representing all sections of the PHL, including Newborn Screening, Environmental, and Infectious Disease. These short presentations will share stories from staff about who they are, the work they do, and how they change lives through science.
