

MIECHV NA 2020 Table 7: FHV Programming in At-Risk Counties.

All counties at risk are served, in whole in or part, by at least one home visiting program and all are served by at least one program that implements a MIECHV-eligible evidence-based home visiting model.

<i>At-Risk Counties</i>	<i>County is served, in whole or in part, by a MIECHV-funded by home visiting</i>	<i>Estimated number of families served by home visiting</i>	<i>HRSA estimated need of eligible families*</i>	<i>MDH estimated need of eligible families**</i>
<i>Aitkin</i>	No	42	81	236
<i>Anoka</i>	Yes	194	786	3,964
<i>Becker</i>	Yes	204	181	699
<i>Beltrami</i>	No	40	247	1092
<i>Benton</i>	No	16	260	754
<i>Blue Earth</i>	No	28	377	950
<i>Brown</i>	No	16	171	315

*HRSA Definition: Families with children under 6 years old that were living in poverty and met two additional risk factors (families in which the mother has low educational attainment (high school education or less); families with pregnant women (a child less than 1 year in the past year), or; families with young mothers (aged under 21)).

** MDH definition: Families living below the 185% of the Federal Poverty Level (FPL) who also had children under the age of five residing in the household.
