

Participation in Minnesota WIC: Race/Ethnic Comparison for all Women, Infants, and Children, 2014

2014 WIC Participation: State Total = 196,954 (Non-Hispanic = NH)

¹ Traditional categories group one participant per category. A person choosing “multiple” races/ethnicities is counted once.

² Multi-race participants are counted in all of their reported categories, instead of in the Multiple Races category.

See link for definition of [Alone or In Combination with Other Races \(AOIC\)](#)
