

Participation in Minnesota WIC: Race/Ethnic Comparison for all Women, Infants, and Children, 2018

2018 WIC Participation: State Total = 170,820 (Non-Hispanic = NH)

¹ Traditional categories group one participant per category. A person choosing “multiple” races/ethnicities is counted once.

² Multi-race participants are counted in all of their reported categories, instead of in the Multiple Races category.

See link for definition of [Alone or In Combination with Other Races \(AOIC\)](#)

For more information, contact the Minnesota Department of Health, WIC Program <http://www.health.state.mn.us/divs/fh/wic/index.html> 1-800-657-3942

This organization is an equal opportunity provider.
