

Changes to PediaSure Grow & Gain with Fiber

AUGUST 14, 2024

Abbott Laboratories changes PediaSure with Fiber packaging

Abbott Laboratories is changing packaging of PediaSure Grow & Gain with Fiber back to **8 oz** containers in six-count packs.

PediaSure Grow and Gain with Fiber

Hubert/Winnie food item description: PediaSure Grow & Gain with Fiber (containers)

Benefit description: container(s) RTF PediaSure Grow & Gain with Fiber

Max containers: 108 containers; six-pack will remove six containers

Currently only vanilla flavor is in the market. The UPC has been added to the APL. *REMEMBER to issue in quantities divisible by 6 to avoid unused containers, 6-packs will not be broken for a grocery item.*

How can local agencies help

- Let families know of the package changes.
- Issue in even numbers to use as much of the benefit as possible. Discuss the package count for the number of bottles/containers.
 - Example, 18 six-packs equal the max 108 containers.
 - A six-pack removes six containers.
- Reach out to your State Consultant if there are questions issuing the containers. Call the Help Desk if there are questions about issuance.

Minnesota Department of Health - WIC Program, 625 Robert St. N, PO BOX 64975, ST PAUL MN 55164-0975; 1-800-657-3942, health.wic@state.mn.us, www.health.state.mn.us; to obtain this information in a different format, call: 1-800-657-3942.
