**Reason Codes:**

1. Carrier has conducted a good faith search for providers and there are no providers physically present in the service area.\*  
Also use this code if an area of the state is not covered due to the topographic nature of the area such as lakes or forest.
2. Provider(s) do not meet carrier's credentialing requirements. Please explain what credentials are not met.
3. Carrier has made a good faith effort to contract with provider(s) and provider(s) have refused. Please provide information indicating the date in which a contract was offered and the process used in an effort to secure a contract.
4. Other: Please describe why geographic access standards cannot be met. Please also describe how access will be provided for this provider type for the residents of the affected county or counties.

C. That if new providers listed in (B) becomes available in the service area, carrier will make a good faith effort to contract with said providers.

\*In some situations when the geographic access standards for a given provider type cannot be met, access to the specified provider type may be provided via the use of Telehealth, or Telemedicine technologies. When this is applicable for a provider type with regard to limited or no access in a particular county, the carrier should describe how access is being offered via the use of Telehealth technologies.
