

PMTF Final Report Outline

Green * = finished or in progress. **Green highlights** = needs lead author.

Executive Summary

Brief overview of the key points in the report, including overarching recommendations

Glossary of Terms and Acronyms*

Including drugs, definitions, state agencies, any other commonly used terms/acronyms

Legislation*

Presentation of the guiding legislation

Introduction

Describing the content of the report, setting up important background information

Scientific Literature Review*

Reviews of MDMA, psilocybin, and LSD

Community Research Summary*

Limitations of scientific research, Indigenous Ways of Knowing, population statistics

Option to include other sections with data from state agencies, from specific communities, etc.

Recommendations

Overarching Rec 1: Remove criminal penalties...

Overarching Rec 2: Create a clinical administration program...

Overarching Rec 3: Appropriate funds for clinical research...

Overarching Rec 3: Adult use of psilocybin mushrooms...

Supporting reasoning, legal, policy, regulation considerations for each recommendation can be included.

Tribal Nation Sovereignty

Section to discuss Tribal Law

Public Education

Section to discuss the public education component

Appendices

All are optional—can add, delete, rearrange, etc.

Appendix A: Task Force Membership*

Table of members

Appendix B: Acknowledgements to Subject Matter Experts

A brief list has already been created, just needs to be cleaned and acknowledgements added

Appendix C: Report Development Process

Guiding principles & meeting schedule already filled in, will need voting process, any other relevant info.

Appendix D: Personal Anecdotes

Any member who would like to participate should have a paragraph or so finished by mid-September

Appendix E: Recommendations Not Approved

Option to include recommendations that went through a SWOT analysis but were not voted to be included (for full transparency of task force process)

Authors from above can move sections here if necessary.

Appendix F: Abstentions

This is a section for any one (or state agency) to clarify the reason for an abstention

Appendix G: Legal Pathway Definitions

Currently, definitions of all possible pathways

Option to only keep relevant pathways (and/or include in each recommendation)

Appendix H: Detailed Scientific Data*

This section is optional: if the actual report gets too long, Caroline will move any technical details here and keep the high-level overview in the body of the report.

Appendix I: Scientific Literature Review Methods*

Information about how the review was conducted

Appendix J: Alcohol & Cannabis Population Statistics*

Provided as a comparison to population statistics around psychedelic drug use

Appendix K: References*

Running list of references
